A Message from the Premier

As Premier of the Province of British Columbia, Canada, I am pleased to join with the organizing committee in welcoming everyone to the second session of the Sino-Canada International Educational Exchange Forum in Beijing.

I understand that this year's event will host several hundred educators, directors, government officials, and administrators from across Canada and China. It is a valuable opportunity for everyone to meet, create new friendships, gain new knowledge and discuss important issues related to education.

I would like to recognize the staff and volunteers for their work in coordinating this exchange forum. The agenda offers everyone access to information on a variety of interesting and creative topics, and I am sure there will be a lot of constructive discussions.

Please accept my best wishes for an enjoyable and successful 2007 Sino-Canada International Educational Exchange Forum.

Sincerely,

Gordon Campbell
Premier
